Financial regulations are one of the Council's two governing policy documents providing procedural guidance for members and officers. Financial regulations must be observed in conjunction with the Council's standing orders.
- 1.2 The Council is responsible in law for ensuring that its financial management is adequate and effective and that the Council has a sound system of internal control which facilitates the effective exercise of the Council's functions, including arrangements for the management of risk.
- 1.3 The Council's accounting control systems must include measures:
- for the timely production of accounts;
 - that provide for the safe and efficient safeguarding of public money;
 - to prevent and detect inaccuracy and fraud; and

- 1.4 These financial regulations demonstrate how the Council meets these responsibilities and requirements.
- 1.5 At least once a year, prior to approving the Annual Governance Statement, the Council must review the effectiveness of its system of internal control which shall be in accordance with proper practices.
- 1.6 Deliberate or wilful breach of these Regulations by an employee may give rise to disciplinary proceedings.
- 1.7 Members of Council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of Councillor into disrepute.
- 1.8 The Responsible Financial Officer (RFO) holds a statutory office to be appointed by the Council. The Clerk has been appointed as RFO for this Council and these regulations will apply accordingly.
- 1.9 The RFO;
- acts under the policy direction of the Council;
 - administers the Council's financial affairs in accordance with all Acts, Regulations and proper practices;
 - determines on behalf of the Council its accounting records and accounting control systems;
 - ensures the accounting control systems are observed;
 - maintains the accounting records of the Council up to date in accordance with proper practices;

- assists the Council to secure economy, efficiency and effectiveness in the use of its resources; and
 - produces financial management information as required by the Council.
- 1.10 The accounting records determined by the RFO shall be sufficient to show and explain the Council's transactions and to enable the RFO to ensure that any income and expenditure account and statement of balances, or record of receipts and payments and additional information, as the case may be, or management information prepared for the Council from time to time comply with the Accounts and Audit Regulations.
- 1.11 The accounting records determined by the RFO shall in particular contain:
- entries from day to day of all sums of money received and expended by the Council and the matters to which the income and expenditure or receipts and payments account relate;
 - a record of the assets and liabilities of the Council; and
 - wherever relevant, a record of the Council's income and expenditure in relation to claims made, or to be made, for any contribution, grant or subsidy.
- 1.12 The accounting control systems determined by the RFO shall include:
- procedures to ensure that the financial transactions of the Council are recorded as soon as reasonably practicable and as accurately and reasonably as possible;
 - procedures to enable the prevention and detection of inaccuracies and fraud and the ability to reconstruct any lost records;
 - identification of the duties of officers dealing with financial transactions and division of responsibilities of those officers in relation to significant transactions;
 - procedures to ensure that uncollectable amounts, including any bad debts are not submitted to the Council for approval to be written off except with the approval of the RFO and that the approvals are shown in the accounting records; and
 - measures to ensure that risk is properly managed.
- 1.13 The Council is not empowered by these Regulations or otherwise to delegate certain specified decisions. In particular any decision regarding:
- setting the final budget or the precept (Council tax requirement);
 - approving accounting statements;
 - approving an annual governance statement;
 - borrowing;

In these financial regulations the term 'proper practice' or 'proper practices' shall refer to guidance issued in Governance and Accountability for Local Councils - a Practitioners' Guide (England) issued by the Joint Practitioners Advisory Group (JPAG), available from the websites of NALC and the Society for Local Council Clerks (SLCC).

2.1 All accounting procedures and financial records of the Council shall be determined by the RFO in accordance with the Accounts and Audit Regulations, appropriate guidance and proper practices.

2.2 On a regular basis, at least once in each quarter, and at each financial year end, a member other than the Chairman shall be appointed to verify bank reconciliations (for all accounts) produced by the RFO. This member shall be the Chairman of the Finance and General Purposes Committee who will sign the reconciliations and the original bank statements (or similar document) as evidence of verification. This activity shall on conclusion be reported, including any exceptions, to and noted by the Finance and General Purposes Committee.

2.3 The RFO shall complete the annual statement of accounts, annual report, and any related documents of the Council contained in the Annual Return (as specified in proper practices) as soon as practicable after the end of the financial year and having certified the accounts shall submit them and report thereon to the Council within the timescales set by the Accounts and Audit Regulations.

- 2.9 The RFO shall make arrangements for the exercise of electors’ rights in relation to the accounts including the opportunity to inspect the accounts, books, and vouchers and display or publish any notices and statements of account required by Audit Commission Act 1998, or any superseding legislation, and the Accounts and Audit Regulations.

The RFO shall issue the precept to the billing authority and shall supply each member with a copy of the approved annual budget.

3.5 The approved annual budget shall form the basis of financial control for the ensuing year.

4.0 BUDGETARY CONTROL AND AUTHORITY TO SPEND

4.1 Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget. This authority is to be determined by:

- the Council for all items over £5,000;
- a duly delegated committee of the Council for items between £2,501 and £4,999; or
- The Clerk for any items up to and including £2,500.

Such authority is to be evidenced by a minute or by an authorisation slip duly signed by the Clerk, and where necessary also by the appropriate Chairman. Contracts may not be disaggregated to avoid controls imposed by these regulations.

4.2 No expenditure may be authorised that will exceed the amount provided in the revenue budget for that class of expenditure other than by resolution of the Council, or duly delegated committee. During the budget year and with the approval of Council having considered fully the implications for public services, unspent and available amounts may be moved to other budget headings or to an earmarked reserve as appropriate ('virement').

4.3 Unspent provisions in the revenue or capital budgets for completed projects shall not be carried forward to a subsequent year.

4.4 The salary budgets are to be reviewed at least annually in August for the following financial year and such review shall be evidenced by a hard copy schedule signed by the Clerk and the Chairman of Council or relevant committee. The RFO will inform committees of any changes impacting on their budget requirement for the coming year in good time.

4.5 In cases of extreme risk to the delivery of Council services, the clerk may authorise revenue expenditure on behalf of the Council which in the clerk's judgement it is necessary to carry out. Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £5,000. The Clerk shall report such action to the chairman as soon as possible and to the Council as soon as practicable thereafter.

4.6 No expenditure shall be authorised in relation to any capital project and no contract entered into or tender accepted involving capital expenditure unless the Council is satisfied that the necessary funds are available, and the requisite borrowing approval has been obtained.

4.7 All capital works shall be administered in accordance with the Council's standing orders and financial regulations relating to contracts.

4.8 The RFO shall regularly provide the Council with a statement of receipts and payments to date under each head of the budgets, comparing actual expenditure to the appropriate date against that

planned as shown in the budget. These statements are to be prepared at least at the end of each financial quarter and shall show explanations of material variances. For this purpose, "material" shall be in excess of 4.99% of the budget.

4.9 Changes in earmarked reserves shall be approved by Council as part of the budgetary control process.

5.0 BANKING ARRANGEMENTS AND AUTHORISATION OF PAYMENTS

5.2 The RFO shall prepare a schedule of payments requiring authorisation, forming part of the Agenda for the Meeting and present the schedule to the Finance and General Purposes Committee. The committee shall review the schedule for compliance and, having satisfied itself shall authorise payment by a resolution of the committee. A detailed list of all payments shall be disclosed as an attachment to the minutes of the meeting at which payment was authorised. Personal payments (including salaries, wages, expenses and any payment made in relation to the termination of a contract of employment) may be summarised to remove public access to any personal information.

5.3 All invoices for payment shall be examined, verified and certified by the RFO to confirm that the work, goods or services to which each invoice relates has been received, carried out, examined and represents expenditure previously approved by the Council.

5.4 The RFO shall examine invoices for arithmetical accuracy and analyse them to the appropriate expenditure heading. The RFO shall take all steps to pay all invoices submitted, which are in order and with the relevant invoices, at the next available Council or committee meeting.

5.5 The Clerk/RFO shall have delegated authority to authorise the payment of items only in the following circumstances:

- b. An expenditure item authorised under 5.6 below (continuing contracts and obligations) provided that a list of such payments shall be submitted to the next appropriate meeting of the Finance and General Purposes Committee; or
- c. Fund transfers within the Councils banking arrangements up to the sum of £15,000, provided that a list of such payments shall be submitted to the next appropriate meeting of the Finance and General Purposes Committee.

list of such payments shall be submitted to the next appropriate meeting of Finance and General Purposes Committee.

- 5.7 A record of regular payments made under 5.6 above shall be drawn up and be signed by two members on each and every occasion when payment is authorised - thus controlling the risk of duplicated payments being authorised and/or made.
- 5.8 In respect of grants, the Finance and General Purposes Committee shall approve expenditure within any limits set by Council and in accordance with any policy statement approved by Council. Any Revenue or Capital Grant in excess of £5,000 shall before payment, be subject to ratification by resolution of the Council.
